Why APPI Energy?

▶ 24 Years of Proven Experience

Since 1996, we have provided data-driven procurement and efficiency services to clients across North America. Our proprietary database of daily supplier prices enables us to benchmark and identify how to best manage your energy profile. Our holistic energy solutions focus on decreasing costs and increasing sustainability for our clients.

▶ 160+ Endorsements

APPI Energy is endorsed by 160+ national and state trade associations, and chambers of commerce. We help members reduce electricity and natural gas costs and provide energy solutions. This member benefit educates and renders value-added services to curtail expenses on an ongoing basis.

▶ Ethical, Unbiased & Independent

We serve as an advocate for our clients only, never utilities or suppliers. Only **27%** of vetted suppliers meet our stringent standards. Our due diligence includes a review of financial stability, billing accuracy, customer service, competitive pricing, management experience, and optimal contract terms and conditions.

▶ All Things Energy

We learn about your organization, its operations and energy profile: energy consumption, costs, demand, objectives, and issues. We conduct an energy assessment and present solutions to reduce energy costs, reduce demand, and improve resiliency and sustainability to provide significant and ongoing savings. We manage all things energy allowing you to focus on your expertise.
