

The Coming Great Depression

with Brian and Alan Beaulieu
CEO and President of ITR Economics

Thursday, July 18, 2 pm EDT • Cost: \$199

JOIN THE BEAULIEU BROS FOR THEIR UPCOMING WEBINAR!

The road to the Great Depression will be interesting in and of itself, with many opportunities and changes presenting themselves. Business leaders need to be planning now for those changes, as we all seek to maximize profit and enterprise value. *This webinar will also include an exclusive sneak peek at ITR Economics' latest up-and-coming proprietary indicator!*

VALUES PROVIDED

- Learn how to use the 2020s to prepare for the Great Depression
- Understand how to invest before and grow wealth during the Great Depression

- Identify the industries likely to perform best during the 2030s
- Know what to tell your children so they will be ready

WHAT WILL ATTENDEES RECEIVE?

- Insight into why there will be a Great Depression
- Know how to gauge whether the depression will come earlier than 2030
- Insight into best-performing industries during the depression
- Guidelines on how to prepare financially
